Anita's Embroidery Workshop!

Learning new embroidery techniques has never been easier!

Fabric Bowl

Fabric Bowl - Since we all love fabric, what could be more fun than a reversible fabric bowl? In this workshop you will learn how to create a reversible bowl with a minimal amount of sewing. This is a great stash-busting project!

At the Anita Embroidery Workshop you will participate in a hands on embroidery team sewing environment. Project instructions via tutorial hand outs and an in-depth, step-by-step workshop video.
