Mariner's Compass Special Edition coming May 1st, 2013.

Pre-order *today* to get a great discount!

Below are just a few examples of some design layout possibilities.

You will be amazed at the amount of design layouts that can be accomplished with this collection. There are 15 compass designs, 10 curved designs to create the circular patterns, and each of these designs come in four sizes. There are over 40 border blocks to help you finish your quilt. This collection even includes 19 individual stitched designs for further embellishments or as stand alone designs for any project. This collection is a Mix & Match Quilting compatible collection.

Please Check the appropriate box based on your status.

Diamond, Quilting, Platinum
