

BABY LOCK SEWING ACCESSORIES

Horizontal Spool Pin

(BLJ18-HS)

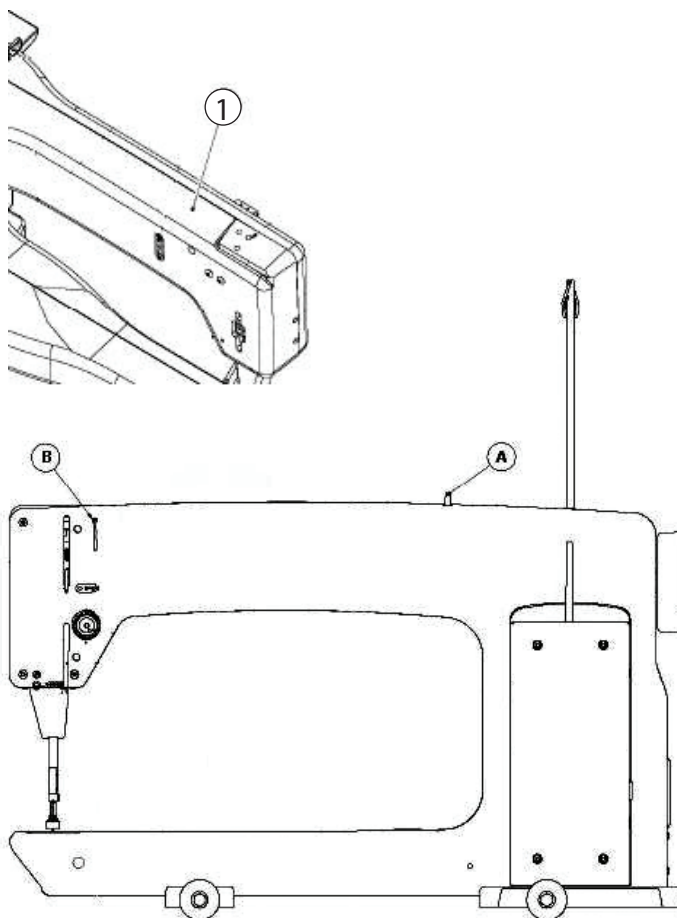

Instructions

This optional Horizontal Spool Pin is available for use with metallic and specialty threads wound on a spool (not a cone).

INSTRUCTIONS:

1. The Horizontal Spool Pin mounts in the laser stylus guide post hole on the top of the machine (1).
2. When using specialty threads on the Horizontal Spool Pin, skip thread guide A. Thread the top hole only of the three-hole thread guide B, back to front.
