#26S7508 - Piecing

This Best of Show quilt is made by repeating one block! In this workshop, you will explore how color and value creates a dramatic quilt with a single block. The primary background fabric is from one piece of ombre yardage. Learn how to cut dark, medium, and light values from the fabric in a specific manner to speed up the time to make this quilt while simultaneously creating drama and interest. The pops of color come from scrap fabrics. If you know how to paper piece, or want to brush up on your paper piecing skills, this workshop is for you! You'll learn paper piecing hacks and go home feeling confident in paper piecing skills and color placement. Therapy and Metamorphosis won Best of Show in the East Cobb Quilters Guild 2022 Quilt Show.
