

Quick Reference Guide Upright Vacuum Cleaner

Guide de référence Aspirateur vertical

To prevent accidents and machine damage, read the attached operating instructions before installation and use.

Afin de prévenir les accidents et d'éviter d'endommager l'appareil, veuillez lire attentivement les instructions d'utilisation ci-jointes avant de l'installer ou de l'utiliser.

en, fr - US, CA

The illustrations referred to can be found on the following pages.

Using the vacuum cleaner

Assembling the vacuum cleaner (see fig. 1)

If your vacuum cleaner is equipped with an exhaust filter Active AirClean or HEPA AirClean, you will need to activate the exhaust filter change indicator (see Operating Instructions, page 14).

Releasing / Rewinding the power cord (see fig. 2)

Align cord with notch (see fig. 3)

Releasing the body of the vacuum cleaner (see fig. 4)

Turning the vacuum cleaner On/Off (see fig. 5)

Selecting the flooring type (see fig. 6 + 7)

Securing the vacuum hose and wand (see fig. 8)

Telescopic wand (see fig. 9 + 10)

Turning the Powerbrush On/Off (see fig. 11)

Included accessories (see fig. 12)

Lifting the vacuum head (see fig. 13)

Maintenance

Airflow indicator (see fig. 14)

Opening the dust compartment (see fig. 15)

Removing the FilterBag (see fig. 16)

Inserting the FilterBag (see fig. 17)

Please see the Operating Instructions for more information on how to change the FilterBag and exhaust filter.

Vous trouverez les croquis à la fin de ce guide de référence.

Utilisation de l'aspirateur

Assemblage de l'aspirateur (voir fig. 1)
